## Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I (5) if
All the time I have layed in your love	It would've been any different if I had a father that I knew
When your love kept me safe through the night	Could it have helped shape the way that I grew?
All the time I was sure you were mine	But the point of things I never have went from
And before time (1) our goodbye	Being a reason for the things that I do
Can you sing me a last lullaby?	To just being an excuse that I'd use
t's been a while since I last dreamt	I've gotta take (6) for the
Barely remember what it's like to dream	things I do
Finding it hard to get to sleep, too stressed	Find something other than negativity for my fuel
And there ain't anyone to sing a lullaby to me	But I feed off it, even (7) I don't seem bothered
Pretend shit doesn't get to me	I hide everything that's going on inside
And I suffer in silence when I'm hurting	Guess it's been a while since I've been honest, I need help
A man's problems are his own	But I deny it and even lie to myself like I'm fine
And it's my burden	All the time I have layed in your love
Tossing and turning, (2) to get to sleep	When your love kept me safe through the night
But I find it hard to switch off when my mind's working	All the time I was sure you were mine
ponder on things I shouldn't ponder on	And before time (8) our goodbye
Off the rails, my train of thought's wandering	Can you sing me a last lullaby?
Sick of (3) to be so happy	I just wish someone would tell me it would be OK
All the while my anxiety's away at me	But pessimism leads me to believe that it won't
My skin crawling, I look up to the sky	To see even a (9) of hope in the darkness
And it falls, the walls close in and it's	Is hard and depression is a slippery slope
As if all the good in my life disappears	I don't (10) do what my dad did with a rope,
n an instant, that thing is just so distant	though
So seeing the ones who I love, the ones who love me	So I carry on even though it's hard to
But I don't wanna tell em how I feel in case they judge me	The only thing that's definite is death and things always
t's just me, wish I could let (4) in	change
But I ain't ever been too trusting	As long as you give em a chance to
All the time I have layed in your love	All the time I have layed in your love
When your love kept me safe through the night	When your love kept me safe through the night
All the time I was sure you were mine	All the time I was sure you were mine
And before time demands our goodbye	And before time demands our goodbye
Can you sing me a last lullaby?	Can you sing me a last lullaby?
ve barely had any sleep when I get up	(Can you sing me a last lullaby?)
Sick of all these nightmares and these night terrors	All the time I have layed in your love
like it's only when I'm in heaven that I sleep better	When your love kept me safe through the night
Might sleep better when I get up, I'm weak	All the time I was sure you were mine
	And before time demands our goodbye
	Can you sing me a last lullaby?
