

## Fill in the gaps

You said goodbye	I'll never be over you
I fell apart	Why did I (6) let you slip away
I fell from all we had	Can't stand another day without you
To I never knew, I (1) you so bad	Without the feeling, I (7) knew
You need to let things go	I cry silently
I know, you told me so	I cry inside of me
I've been through hell	I cry hopelessly
To (2) the spell	Cause I know I'll never breathe your love again
Why did I ever let you sleep away	I cry, cause you're not here with me
Can't (3) (4) day without you	cause I'm lonely as can be
Without the feeling, I once knew	I cry hopelessly
I cry silently	Cause I know I'll never breathe your love again
I cry inside of me	If I could have you (8) tomorrow
I cry hopelessly	If I could (9) the pain and sorrow
Cause I know I'll never breathe your love again	I would do just anything
I cry, cause you're not here with me	To make you see, you still love me
cause I'm lonely as can be	I cry silently
I cry hopelessly	I cry inside of me
Cause I know I'll never breathe your love again	I cry hopelessly
If you (5) see me now	Cause I know I'll never breathe your love again
You would know just how,	I cry, cause you're not here with me
How hard I try	cause I'm lonely as can be
Not to wonder why	I cry hopelessly
I wish I could believe in something new	Cause I know I'll never breathe your (10) again
Oh, please somebody tell me it's not true(oh girl)
