Thinking Out Loud by Ed Sheeran

When your legs don't (1)_____ like (2)_____ used
to before
And I can't sweep you off of (3)_____ feet
Will your (4)_____ (5)_____ remember the
taste of my love?
Will your eyes still smile from your cheeks?
Darling I (6)_____ be loving you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm thinking about how
People (7)_____ in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just want to (8)_____ you I am
So honey now
Take me into (9)_____ loving arms
Kiss me (10)_____ the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my (11)_____ don't play the strings the same
way
I know you will still love me the same
Because honey your (12)_____ could never
(13)_____ old

It's evergreen
And baby (14)_____ smile is forever
In my mind and memory
I'm (15)_____ (16)_____ how
People (17)_____ in love in mysterious ways
And maybe it's all (18)_____ of a plan
I'll just (19)_____ on making the same mistakes
Hoping that you'll understand
That (20)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we (21)_____ love
Right where we are
So (22)_____ now
Take me (23)_____ your (24)_____ arms
Kiss me under the light of a thousand stars
Oh darling, place your (25)_____ on my
(26)_____ heart
I'm thinking out loud
Baby we found love right where we are
Baby we (27)_____ (28)_____ right where we are
And we (29)_____ love right where we are
