

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't (1)_____ you off of your feet
Will your mouth still (2)_____ the taste of my
love?
Will your (3)_____ still smile from (4)_____ cheeks?
Darling I will be (5)_____ you till we're seventy
And baby my heart could still (6)_____ as (7)_____
at twenty three
And I'm thinking about how
People (8)_____ in love in mysterious ways
Maybe just the (9)_____ of a hand
Well me I (10)_____ in love with you every single day
And I just want to (11)_____ you I am
So (12)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't (13)_____ my name
When my hands don't play the strings the (14)_____ way

I know you will still love me the same
Because (15)_____ your soul (16)_____ never
grow old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm thinking (17)_____ how
People (18)_____ in (19)_____ in mysterious ways
And maybe it's all (20)_____ of a plan
I'll (21)_____ keep on making the same mistakes
Hoping that you'll (22)_____
That (23)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your (24)_____ on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your (25)_____ arms
Kiss me under the light of a thousand stars
Oh darling, (26)_____ your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love (27)_____ where we are
And we found love right where we are

Fill in the gaps

Answer

1. sweep
2. remember
