Runaway by Bon Jovi

On the street where you live girls talk about their social lives
They're made of lipstick, plastic and paint, a touch of sable in
their eyes
All your life all you've asked when's (1)_____ Daddy
gonna (2)_____ to you
You (3)_____ living in another world tryin' to get your
message through
No one heard a single word you said
They should have seen it in your eyes
What was going around your head
Chorus:
Ooh, she's a little runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a little runaway
A different line (4)_____ night guaranteed to blow your
mind
I see you out on the streets, call me for a wild time
So you sit (5)_____ alone 'cause there's nothing left that
you can do
There's (6)_____ pictures hung in the shadows left there
to look at you
You know she likes the lights at nights on the neon Broadway
signs
She don't (7)_____ mind, it's only love she hoped to
find

Repeat chorus
No one heard a single word you said
They should have seen it in your eyes
What was going around your head
Ooh, she's a (8)_____ runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a little runaway
Daddy's girl learned fast
Now she (9)_____ the night away
Ooh, she's a little runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a (10)_____ runaway
Daddy's girl learned fast
Now she works the night away
