

## Fill in the gaps

You mean that much to me	And when the day come
And it's (1) to show	It will have all been fun
Gets hectic inside of me	We'll talk about it soon
When you go	And I couldn't spill my heart
Can I confess these things to you	My eyes (12) looking in from the dark
Well, I don't know	And I walk out in (13) weather
Embedded in my chest	Hope my words keep us together
And it (2) to hold	Steady walking but (14) to trip
I couldn't spill my heart	Should (15) but just tighten my grip
My (3) gleam (4) in from the	Night time, sympathize
dark	I've (16) working on white lies
I walk out in (5) weather	So I'll tell the truth, I'll give it up to you
Hope my words keep us together	And (17) the day come
Steady (6) but bound to trip	It will have all (18) fun
Should (7) but (8)	We'll (19) it soon
(9) my grip	
Night time, sympathize	
I've (10) working on (11) lies	
So I'll tell the truth, I'll give it up to you
