

Fill in the gaps

Loving can hurt			So you can keep me inside the pocket
Loving can hurt sometimes			Of your ripped jeans
But it's the only thing that I know			Holding me closer until our eyes meet
when it gets hard			You won't ever be alone
You know it can get hard sometimes			And if you hurt me
It is the (1) (2)	(3)	makes	That's ok baby only words bleed
us feel alive			Inside these pages you just hold me
We keep this love in a photograph			And I won't ever let you go
We made these memories for ourselves	3		Wait for me to (7) home
Where our eyes are never closing			Wait for me to come home
Our hearts are never broken			Wait for me to come home
And time's are forever frozen still			Wait for me to (8) home
So you can keep me, Inside the pocket			Oh, you can keep me
Of your ripped jeans			Inside the necklace you bought when you were sixteen
Holding me close until our eyes meet			Next to your heartbeat
You won't ever be alone			Where I should be
Wait for me to come home			Keep it deep (9) your soul
Loving can heal			And if you (10) me
Loving can (4) your soul			Well, that's ok baby only words bleed
And is the only thing that I know			Inside these pages you just hold me
I swear it will get easier			And I won't ever let you go
Remember that with every piece of you			When I'm away
And it's the only thing to take with us wh	nen we die		I will remember how you kissed me
We keep this (5) in a photog	raph		Under the lamppost back on sixth street
We made these (6)	for ourselves		Hearing you whisper through the phone
Where our eyes are never closing			Wait for me to come home
Our hearts were never broken			
And times forever frozen still
