

## Fill in the gaps

Loving can hurt	So you can (17) me (18) the
Loving can hurt sometimes	pocket
But it's the only thing that I know	Of (19) jeans
(1) it (2) hard	Holding me closer until our eyes meet
You know it can get hard sometimes	You won't (21) be alone
It is the only thing (3) us feel alive	And if you hurt me
We keep this love in a photograph	That's ok baby (22) words bleed
We (5) these memories for ourselves	Inside these pages you just hold me
Where our eyes are never closing	And I won't ever let you go
Our hearts are never broken	Wait for me to (23) home
And time's are forever frozen still	Wait for me to come home
So you can keep me, (6) the pocket	Wait for me to come home
Of your ripped jeans	Wait for me to (24) home
Holding me (7) (8) our eyes meet	Oh, you can keep me
You won't ever be alone	Inside the necklace you (25) when you were
Wait for me to come home	sixteen
Loving can (9)	Next to your heartbeat
Loving can mend (10) (11)	Where I should be
And is the only (12) that I know	Keep it deep within your soul
I swear it will get easier	And if you (26) me
Remember that (13) every piece of you	Well, that's ok baby only words bleed
And it's the only thing to take with us when we die	Inside (27) pages you just hold me
We keep this love in a photograph	And I won't ever let you go
We made these memories for (14)	When I'm away
Where our eyes are never closing	I will (28) how you kissed me
Our hearts were never broken	Under the lamppost back on sixth street
And (15) forever (16) still	Hearing you whisper through the phone
	Wait for me to come home
