

## Fill in the gaps

Break it down	I gotta get out, (8) get out
Break it down	Gotta get out, gotta get out
Break it down	Lonely inside and light the fuse
I was scared to death I was losing my mind	Light it now, light it now, light it now
Break it down	And now I will start living today
I couldn't close my eyes I was pacing all night	Today, today I close the door
I think I found the light out the end of the tunnel	I got this new beginning and I will fly
I couldn't find the (1) I was going under	I'll fly like a cannonball
But I won't hide inside	Like a cannonball
I gotta get out, gotta get out	Like a cannonball
Gotta get out, (2) get out	I'll fly, I'll fly, I'll fly like a cannonball
Lonely inside and light the fuse	Break it down
Light it now, light it now, light it now	I was scared to death I was losing my mind
And now I will start living today	Break it down
Today, today I close the door	I gotta get out into the world again
I got (3) new beginning and I will fly	And now I will start living today
I'll fly like a cannonball	Today, today I close the door
Like a cannonball	I got this new beginning and I will fly
Like a cannonball	I'll fly like a cannonball
I'll fly, (4) fly, I'll fly like a cannonball	Like a cannonball
Freedom	Like a cannonball
I let go of fear and the (5) came quickly	I'll fly, I'll fly, I'll fly like a cannonball
Freedom	Like a cannonball
I was in the dark and then it hit me	Like a cannonball
I chose suffering and pain in the falling (6)	I'll fly, I'll fly, I'll fly (9) a cannonball
I know, I gotta get out into the world again	
But I (7) hide inside
