

## Fill in the gaps

## Glacier by James Vincent McMorrow

Someone (1) a lie, somewhere underneath,
Caught between the reeling, (2) the beat.
I no longer fit and the years asleep.
Show no sense of holding, staring aimlessly.
I (3) go south of the river, (4) slow in the heart of the winter.
I wanna go (5) of the river, face it (6) in the (7) of the winter.
And this we'll celebrate, this we'll celebrate
There and on the stage, this is a mistake.
Damn me off the long.
Down the earth and moon,
Damp and clawing kneeling, rustling into change.
In a moment I was caught, in a (8) by a steam.
In the moment of a hot.
I wanna go south of the river, glacier (9) in the (10) of the winter.
I wanna go south of the river, (11) it (12) in the heart of the winter.
I am knotted at the love (13) house.
Few became, few became as glory as long locked as the (14) state and (15) living near.
Harrow since, (16) the farthest reaching under we inside a cheat, his (18) again, so dear.
Someone hears a lie, somewhere underneath.
Caught (19) the reeling, mirroring the beat.
I no (20) fit, and in years we fall.
Silence is so cold, and there's no sense at all.
And I was someone else,
I was something good.
Barrelling at the old.
There along the door.
I wanna go (21) of the river, face it alone in the heart of the winter.
I wanna go south of the river, face it (22) in the (23) of the winter.
