Nothing Really Matters by Madonna

When I was very young	Nothing really matters
Nothing really mattered to me	Love is all we need
But making myself happy	Everything I give you
was the (1) one	All comes (6) to me
Now that I am grown	Nothing really matters
Everything's changed	Love is all we need
'll (2) be the same	Everything I give you
Because of you	All comes (7) to me
Nothing (3) matters	Nothing takes the past away
_ove is all we need	Like the future
Everything I give you	Nothing makes the (8) go
All comes back to me	Like the light
_ooking at my life	You're shelter from the storm
t's very clear to me	Give me comfort in (9) arms
lived so selfishly	Nothing really matters
was the (4) one	Love is all we need
realize	Everything I give you
That (5) wins	All comes back to me
Something is ending	
And something begins
