

Fill in the gaps

Nothing Really Matters by Madonna

When I was (1) young	Nothing (10) matters
Nothing really (2) to me	Love is all we need
But making (3) happy	Everything I give you
was the (4) one	All (11) to me
Now that I am grown	Nothing really matters
Everything's changed	Love is all we need
II never be the same	Everything I (13) you
Because of you	All comes back to me
Nothing (5) matters	Nothing takes the (14) away
Love is all we need	Like the future
Everything I (6) you	Nothing makes the (15) go
All (7) to me	Like the light
ooking at my life	You're (16) (17) the storm
t's very clear to me	Give me (18) in (19) arms
lived so selfishly	Nothing (20) matters
was the only one	Love is all we need
realize	Everything I give you
That nobody wins	All comes back to me
Something is ending
