

## Fill in the gaps

### She Makes My Day by Robert Palmer

	I'll (16) be lonely now I know her
I feel so lucky loving her	She fills my heart with joy, she (17) my day
Tell me what (1) is magic for	She just has to smile to blow my cares away
She thinks it's (2) left unsaid	She just has to touch my hand, to make me stay.
She makes her mind up in a glance	I feel so lucky (18) her
It (3) a difference	Tell me (19) else is magic for
I seem to be unconditionally hers	She (20) it's (21) left unsaid
She's like a new girl everyday	She (22) her mind up in a glance
And all the rest don't bother me	It really made a difference
I'm far too busy (5) her	I seem to be unconditionally hers
I'll never be lonely now I know her	She's like a new girl everyday
She fills my heart (6) joy, she makes my day	And all the rest don't bother me
She (7) has to smile to blow my cares away	I'm far too busy loving her
She (8) has to touch my hand, to make me stay.	I'll never be (23) now I know her
She's all good loving at once	She fills my (24) with joy, she makes my day
She's all (9) loving at once	She just has to smile to blow my cares away
She's all good loving at once	She (25) has to touch my hand, to make me stay
She's all good loving at once	She's all good loving at once
Our (10) was unintentional	She's all (26) loving at once
She says we're not responsible	She's all (27) loving at once
She thinks (11) her chin up	She's all good loving at once
She always makes uncommon sense	She's all good loving at once
Always knows just (12) to say	She's all good loving at once
She (13) me unawares	She's all good (28) at once
In (15) time than it takes to fall,	She's all good loving at once
I'm here and there you are	
We never fought it anyway
