

## Fill in the gaps

## See You Again by Wiz Khalifa Ft Charlie Puth

	And that (19) will never be broken
It's been a long day (1) you, my friend	The love will never get (20) (and the love will never
And I'll (2) you all about it (3) I see you	get lost)
again	And when brotherhood (21) first
We've (4) a long way from where we began	Then the line will never be crossed
Oh, I'll tell you all about it (5) I see you again	Established it on our own
When I see you again	When that line had to be drawn
(Hey)	And that line is what we reach
Damn, who knew?	So remember me (22) I'm gone (remember me
All the planes we flew	when I'm gone)
Good things we've been through	How can we not talk (23) family (24)
That I'll be standing right here talking to you	family's all that we got?
'Bout another path	Everything I went (25) you were standing
I know we (6) to hit the road and laugh	there by my side
But something told me that it wouldn't last	And now you gon' be with me for the last ride
Had to switch up	So let the light guide your way, yeah
Look at things different, see the (7) picture	Hold every (26) as you go
Those were the days	And every road you take, will always lead you home, ooh ooo
Hard work forever pays	oh
Now I see you win the better place (see you win the better	It's been a long day without you, my friend
place)	And I'll tell you all about it when I see you again
Uh	We've come a long way (27) where we began
How can we not talk about family when family's all that we	Oh, I'll (28) you all about it when I see you again
got?	When I see you again
Everything I went through you were standing there by my side	(Aah oh)
And now you gon' be with me for the last ride	{Uh}
It's been a long day without you, my friend	(Aah oh)
And I'll (8) you all about it when I see you again (I	{Yeah}
see you again)	(Wooooh-oh-oh-oh-oh)
We've (9) a (10) way (yeah, we	{Ya, ya}
(11) a long way) (12) where we began	When I see you again
(you know we started)	{Uh}
Oh, I'll tell you all (13) it (14) I'll see	See you again
you again (let me tell you)	(Wooooh-oh-oh-oh-oh)
When I'll see you again	{Yeah, yeah, uha}
(Aah oh, aah oh	When I see you again
Wooooh-oh-oh-oh-oh)	
First you (15) go out (16) way	
And the vibe is feeling strong	
And what's (17) turn to a friendship	
A friendship (18) to a bond
