I'm a flame short of fire	I'm from X
I'm the dark in (1) of light	You're from Y
When we touch you inspire	Perfect strangers in the night
Feel it changin' me tonight	Here we are, come together
So take me up take me higher	To the world we'll testify
There's a (2) not far from here	Our hearts are like
We can dance in desire	Firestones
Or we can (3) in love tonight	And when they strike
Our (4) are like	We feel the love
Firestones	Sparks will fly
And when they strike	They (9) our bones
We feel the love	And when they strike
Sparks will fly	We light up the world
They (5) our bones	We light up the world
And (6) (7) strike	We light up the world
We (8) up the world	Oh-whoa
We light up the world	World
Oh-whoa	Oh-Whoa
World	Firestone
Oh-whoa
