

And a little of that human touch

## Fill in the gaps

## Human Touch by Bruce Springsteen

You and me we were the pretenders	Just a little of that human touch
We let it all slip away	Oh girl that feeling of (6) you prize
In the end what you don't surrender	Well it comes with a (7) (8) price
Well the world just strips away	You can't shut off the risk and the pain
Girl ain't no kindness in the face of strangers	Without losin' the love (9) remains
Ain't (1) find no miracles (2)	We're all riders on this train
Well you can (3) on your blessings my darlin'	So you been broken and you been hurt
But I got a deal for you right here	Show me somebody who ain't
I ain't lookin' for prayers or (4)	Yeah I know I ain't nobody's bargain
I ain't comin' 'round searchin' for a crutch	But hell a little touchup
I just want (5) to talk to	And a little paint
And a little of that human touch	You might need somethin' to hold on to
Just a little of that human touch	When all the answers they don't amount to much
Ain't no mercy on the streets of this town	Somebody that you can just talk to
Ain't no bread from heavenly skies	And a little of that human touch
Ain't nobody drawin' wine from this blood	Baby in a world without pity
It's just you and me tonight	Do you think what I'm askin's too much?
Tell me in a world without pity	I just want to feel you in my arms
Do you think what I'm askin's too much?	And (10) a little of that human touch
I just want something to hold on to
