

## Fill in the gaps

## Human Touch by Bruce Springsteen

You and me we were the pretenders	Just a (14) of that human touch
We let it all slip away	Oh girl that (15) of safety you prize
In the end what you don't surrender	Well it comes with a hard (16) price
Well the world just strips away	You can't (17) off the risk and the pain
Girl ain't no kindness in the (1) of strangers	Without losin' the love that remains
Ain't gonna (2) no miracles here	We're all riders on this train
Well you can wait on your (3) my	So you been broken and you been hurt
darlin'	Show me somebody who ain't
But I got a deal for you right here	Yeah I (18) I ain't nobody's (19)
I ain't lookin' for prayers or pity	But hell a little touchup
I ain't comin' 'round searchin' for a crutch	And a little paint
I just (4) (5) to talk to	You might (20) somethin' to hold on to
And a (6) of that (7) touch	When all the (21) they don't amount to
Just a little of that human touch	much
Ain't no (8) on the streets of this town	Somebody that you can just talk to
Ain't no bread (9) heavenly (10)	And a little of that human touch
Ain't nobody drawin' wine from this blood	Baby in a world without pity
It's just you and me tonight	Do you think (22) I'm askin's too much?
Tell me in a world (11) pity	I just want to (23) you in my arms
Do you think what I'm askin's too much?	And (24) a little of that human touch
I just want (12) to hold on to	
And a little of that human (13)
