

And a little of that human touch

Fill in the gaps

Human Touch by Bruce Springsteen

You and me we were the pretenders	Just a (6) of that human touch
We let it all slip away	Oh girl (7) feeling of safety you prize
In the end what you don't surrender	Well it comes with a hard hard price
Well the world just strips away	You can't shut off the risk and the pain
Girl ain't no (1) in the face of	Without losin' the love that remains
(2)	We're all riders on this train
Ain't gonna find no miracles here	So you been broken and you been hurt
Well you can wait on your blessings my darlin'	Show me somebody who ain't
But I got a deal for you right here	Yeah I know I ain't nobody's bargain
I ain't lookin' for prayers or pity	But hell a little touchup
I ain't comin' 'round searchin' for a crutch	And a little paint
I just want someone to talk to	You might need somethin' to hold on to
And a little of that human touch	When all the answers they don't amount to (8)
Just a little of (3) human touch	Somebody that you can just talk to
Ain't no mercy on the streets of this town	And a little of that human touch
Ain't no bread from heavenly skies	Baby in a world without pity
Ain't (4) drawin' (5) from this blood	Do you think what I'm askin's too much?
It's just you and me tonight	I just want to feel you in my (9)
Tell me in a world without pity	And (10) a little of that human touch
Do you think what I'm askin's too much?	
I just want something to hold on to
