### Fill in the gaps

#### Kill Me (And Make It Quick) by Amelie

I heard your sound	everybody says it's easy if you let go
i caught your rhythm	i don't (13) care if i'm (14)
knock me on the ground	like i'm too (15) now
flipping me upside down	you were lost so you could be found
but i'll find a way somehow	oh, something, something (16) to nothing
'cause i know your name	nothing brings us down, down
and i got (1) number	but can we turn it around,
we could spark a flame	turn it around, eh
we could say it all out loud	i (17) i'm gonna be sick
so don't it (2) you wonder now	i can't keep doing this
oh, something, something (3) to nothing	kill me and (18) it quick
nothing brings us down, down	i think it's all going well
but can we (4) it around,	i'm (19) under your spell
turn it around, eh	i'm walking right (20) hell
i think i'm gonna be sick	if everything's (21) fall apart
i can't keep doing this	i need the key so i can get back into your heart
kill me and (5) it quick	i'd be in heaven for a day
i think it's all going well	but everything you do just makes say
i'm falling (6) your spell	i (22) i'm gonna be sick
i'm (7) right (8) hell	i can't keep (23) this
i dream about your love	kill me and make it quick
and (9) in your (10) eyes	i think it's all going well
all i really know	i'm falling under (24) spell
is you shot me with a (11) smile	i'm walking right throught hell
i'm (12) dying in the mean while
