## Kill Me (And Make It Quick) by Amelie

I heard your sound
i caught your rhythm
knock me on the ground
flipping me upside down
but i'll find a way somehow
'cause i know your name
and i got your number
we could spark a flame
we could say it all out loud
so don't it make you wonder now
oh, something, something leads to nothing
nothing brings us down, down
but can we turn it around,
turn it around, eh
i think i'm gonna be sick
i can't keep doing this
kill me and make it quick
i think it's all going well
i'm falling under your spell
i'm (1)_____ right throught hell
i dream about your love
and drowing in your (2)_____ eyes
all i really know
is you shot me with a surprise smile
i'm (3)_____ dying in the mean while
everybody says it's easy if you let go
i don't (4)_____ care if i'm playing like i'm too close now
you were lost so you could be found
oh, something, something leads to nothing
nothing brings us down, down
but can we (5)_____ it around,
turn it around, eh
i think i'm (6)_____ be sick
i can't (7)_____ doing this
kill me and make it quick
i think it's all going well
i'm falling under your spell
i'm walking right throught hell
if everything's gonna fall apart
i need the key so i can get back into your heart
i'd be in heaven for a day
but everything you do just makes say
i think i'm (8)_____ be sick
i can't keep doing this
kill me and make it quick
i (9)_____ it's all going well
i'm falling under your spell
i'm walking right throught hell
