

Fill in the gaps

I remember us alone			I was trying to hide		
Waiting for the light to go			I'll forget what I've done		
Don't you (1) that hunger?			I'll be redefined		
I've got so (2)	_ (3)	to show	It's (6)	the sky	
When I saw you on that stage			And I'm following lightning		
I shiver with the look you gave			l'll (7)	if you keep me	e alive
Don't you hear that rhythm?			Don't leave me behind		
Can you show me how we can escape?			Can you see me? I'm shining		
I was biding my time			And it's you that I've been waiting to find		
I was (4)	_ to hide		I want to be the one you steal		
I'll forget what I've done			I want to be the one you shield		
I will be redefined			I want to be the one that your love		
It's shaking the sky			That your love can heal		
And I'm following lightning			I want to be the one you steal		
I'll recover if you keep me alive			I want to be the one you shield		
Don't leave me behind			I want to be the one that your love		
Can you see me? I'm shining			That your love		
And it's you that I've been waiting to find			It's shaking the sky		
I'm holding it all tonight			And I'm following lightning		
I'm folding it all tonight			I'll recover if you keep me alive		
You know that you make it shine			Don't (8) me behind		
It's you that I've been waiting to find			Can you see me? I'm shining		
(bis)			And it's you that I've been waiting to find		
Now that we can hear that sound			I'm holding it all tonight		
I know that you can hold me down			I'm folding it all tonight		
You can't pull me under			You know that you make it shine		
You can raise everything to the ground			It's you that I've been waiting to find		
Everything I can arrange			(bis)		
And every part of me you change			It's you (9)	I've (10)	waiting to find
Just hold me together			(bis)		
Tell me you'll always wa	ant me to stay
