Fill in the gaps

Show Me Love (ft. Kimberly Anne) by Sam Feldt

Heartbreaks and promises	Who will always be there
I've had more (1) my share	Don't you promise me the world
I'm tired of giving my love	All that I've already heard
And getting nowhere nowhere	This time around for me baby
It's been so long	Actions speak louder (5) words
Since I touched a wanting hand	So if you're looking for devotion
I can't put my (2) on the line	Talk to me
And I hope you'll understand	Come with (6) heart in your hand
So baby if you want me	Because my love is guaranteed
You've got to show me love	So baby if you (7) me
Words are so easy to say	You've got to show me love
But you've got to (3) me love	Words are so (8) to say
You've got to (4) me love	But you've got to show me love
I'm tired of getting caught up	Don't give me reasons
In those one night affairs	You've got to show me love
What I need is somebody
