

Fill in the gaps

I've got fire for a heart, I'm not scared of the dark	If I didn't have you I'd never see the sun
You've never seen it look so easy	You taught me how to be someone, yeah
I got a river for a soul and baby you're a boat	All my life you stood by me when no one else was ever behind
Baby, you're my only reason	me
If I didn't (1) you (2) would be nothing	All these lights that can't blind me
left	With your love, nobody can drag me down
The shell of a man that could never be his best	Nobody, nobody
If I didn't have you I'd never see the sun	Nobody can drag me down
You (3) me how to be someone, yeah	Nobody, nobody
All my life you stood by me (4) no one else was	Nobody can drag me
ever (5) me	All my life you stood by me when no one (10) was
All these lights that can't blind me	ever behind me
With your love, nobody can drag me down	All these lights that can't blind me
All my life you stood by me when no one else was ever	With your love, nobody can drag me down
(6) me	All my life you stood by me when no one else was ever behind
All these lights that can't blind me	me
With (7) love, nobody can drag me down	All these lights that can't blind me
Nobody, nobody	With your love, nobody can drag me down
Nobody can drag me down	Nobody, nobody
Nobody, nobody	Nobody can drag me down
Nobody can drag me down	Nobody, nobody
I've got fire for a heart, I'm not scared of the dark	Nobody can drag me down
You've never seen it (8) so easy	Nobody, nobody
I got a river for a (9) and baby you're a bow	Nobody can drag me down
And baby you're my only reason	Nobody, nobody
If I didn't have you there would be nothing left	Nobody can drag me down
