Goodbye by Spice Girls

Fill in the gaps

NO NO NO NO,	it's not the end
No no no	(I gotta keep it strong before the pain turns into fear)
Listen little child, there will come a day	So glad we made it
When you will be able, able to say	Time will never change it, no no no
Never mind the pain or the aggravation	No no no no (You know it's time to say goodbye)
You know there's a better way for you and me to be	The times when we would play about
Look for the rainbow in every storm	The way we used to scream and shout
Fly like an angel heaven (1) to me	We never (7) you'd go your own sweet way
Goodbye my friend	Look for the rainbow in every storm
(I know you're gone, you said you're gone, but I can	Find out for certain love's gonna be there for you
(2) feel you here)	You'll always be someone's baby
It's not the end	Goodbye my friend

So glad we made it	still feel you here)
Time will never change it, no no no	It's not the end
No no no	(I gotta keep it strong before the pain turns into fear)
Just a little girl, big imagination	So glad we made it
Never letting no one (3) it away	Time will never, never ever change it
Went into the world, what a revelation	No no no no (You (9) it's time to say goodbye)
