Goodbye by Spice Girls

Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta keep it strong before the (5) turns into fear)
Listen little child, there will come a day	So glad we made it
When you will be able, able to say	Time will (6) change it, no no no
Never mind the pain or the aggravation	No no no no (You know it's time to say goodbye)
You know there's a better way for you and me to be	The times when we would play about
Look for the rainbow in every storm	The way we used to scream and shout
Fly like an angel heaven sent to me	We never dreamt you'd go your own sweet way
Goodbye my friend	Look for the rainbow in every storm
(I know you're gone, you said you're gone, but I can still feel	Find out for certain love's gonna be there for you
you here)	You'll (7) be someone's baby
It's not the end	Goodbye my friend
(I gotta (1) it strong before the pain turns into fear)	(I know you're gone, you said you're gone, but I can still feel
So glad we made it	you here)
Time will never change it, no no no	It's not the end
No no no no	(I (8) keep it strong before the pain turns
Just a (2) girl, big imagination	(9) fear)
Never letting no one (3) it away	So glad we made it
Went into the world, what a revelation	Time will never, never (10) change it
She found there's a better way for you and me to be	No no no no (You know it's time to say goodbye)
Look for the rainbow in (4) storm	No no no no (And don't forget you can rely)
Find out for certain, love's gonna be there for you	No no no no (You know it's time to say goodbye, and don't
You'll always be someone's baby	forget on me you can rely)
Goodbye my friend	No no no no (I will help, help you on your way, I will be with
(I know you're gone, you said you're gone, but I can still feel	you every day)
you here)	No no no no (I will be with you every day)
