

'bout taking control Breaking the will

## Fill in the gaps

See the devil on the (1)	now			And away from the soul
My oh my				They suck us dry 'till there's nothing left
Tellin' evr'ybody home (2)	how	to	live	My oh my
(3) lives				My oh my
Sliding down the information highway				What about the world today?
Buyin' in (4) like a bunch of fools				What about the place that we call home?
Time is tickin' and we can't go back				We've never been so many
My oh my				And we've never been
What about the world today?				So alone
What about the place that we call home?				So alone
We've never been so many				Keep watchin' from your picket fence
And we've (5) been				Keep talkin' but it makes no sense
So alone				You say we're not responsible
Keep watchin' from your (6)	fence			We are
Keep talkin' but it makes no sense				We are
You say we're not responsible				You wash your hands
We are				Come out clean
We are				And (9) recognise the enemies within
You wash your hands				You say we're not responsible
Come out clean				We are
And finally recognise the enemies within				We are
You say we're not responsible				We are
We are				Keep watchin' from your picket fence
We are				Keep talkin' but it makes no sense
One step forwards makin' two steps back				You say we're not responsible
My oh my				We are
Ridin' piggy on the bad boy's back				We are
For life				You wash your hands
Lining up for the grand illusion				Come out clean
No answers for no questions asked				And finally recognise the enemies within
Lining up for the execution				You say we're not responsible
Without knowing why				We are
Keep watchin' from (7) picket fen	се			We are
Keep talkin' but it makes no sense				(you talk about power
You say we're not (8)				'bout taking control
We are				Breaking the will
We are				And away from the soul
You wash your hands				They suck us dry 'till there's (10) left
Come out clean				My oh my)
And finally recognise the enemies within				We are (we are)
You say we're not responsible				We are (we are)
We are				(it's all about power
We are				'bout taking control)
You talk about power
