

Fill in the gaps

See the devil on the (1) now	And (12) from the soul
My oh my	They (13) us dry 'till there's (14)
Tellin' evr'ybody home just how to live (2) lives	left
Sliding down the information highway	My oh my
Buyin' in just like a bunch of fools	My oh my
Time is tickin' and we can't go back	What about the world today?
My oh my	What about the (15) that we (16)
What (3) the world today?	home?
What about the (4) that we call home?	We've (17) been so many
We've never been so many	And we've never been
And we've (5) been	So alone
So alone	So alone
Keep watchin' from your picket fence	Keep watchin' from (18) (19) fence
Keep talkin' but it makes no sense	Keep talkin' but it makes no sense
You say we're not (6)	You say we're not responsible
We are	We are
We are	We are
You wash your hands	You wash your hands
Come out clean	Come out clean
And finally recognise the enemies within	And finally recognise the enemies within
You say we're not responsible	You say we're not responsible
We are	We are
We are	We are
One step forwards makin' two steps back	We are
My oh my	Keep watchin' (20) your (21) fence
Ridin' piggy on the bad boy's back	Keep talkin' but it makes no sense
For life	You say we're not responsible
Lining up for the grand illusion	We are
No (7) for no questions asked	We are
Lining up for the execution	You (22) your hands
Without (8) why	Come out clean
Keep watchin' from your (9) fence	And finally recognise the enemies within
Keep talkin' but it makes no sense	You say we're not responsible
You say we're not responsible	We are
We are	We are
We are	(you (23) about power
You wash your hands	bout taking control
Come out clean	Breaking the will
And (10) the	And away from the soul
enemies within	They (24) us dry 'till there's (25)
You say we're not responsible	left
We are	My oh my)
We are	We are (we are)
You talk about power	We are (we are)
bout taking control	(it's all about power
Breaking the will	'bout (26) control)
