

Fill in the gaps

Do you still (1) how we used to be?	Everlasting like the sun
Feeling together, (2) whatever my love	Live forever, for the moment
has said to me	Ever searching for the one"
Both of us (3) dreamers, (4) love in	Back (8) I belong now, was it just a dream?
the sun	Feelings unfold, they will never be sold, and the secret's safe
Felt like my saviour, my spirit I gave ya, we'd only just begun	with me
Hasta mañana	Hasta mañana
Always be mine	Always be mine
"Viva forever, I'll be waiting	"Viva forever, I'll be waiting (Viva forever I'll be waiting),
Everlasting like the sun	Everlasting like the sun (Everlasting Like the sun)
Live forever, for the moment	Live forever, for the (9) (Live forever for the
Ever searching for the one"	moment)
Yes I (5) remember every whispered word	Ever searching for the one (Ever searching for the one)"
The touch of your skin, giving life from within like a love	"Viva forever, I'll be waiting (Viva forever),
(6) never heard	Everlasting like the sun
Slipping through our fingers, (7) the sands of time	Live forever, for the moment (Live forever)
Promises made, every memory saved as reflections in my	Ever searching for the one"
mind	
Hasta mañana	
Always be mine	
"Viva forever, I'll be waiting
