## Two Story Town by Bon Jovi

## Fill in the gaps

I couldn't sleep	It's the (8) old ship going down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of (1) dreams that never come true	It's a two story town
One way (2) and I know where its leading to	One shot to make a move now
There's a ;For Sale; sign on the front door of the city hall	The ghosts are calling me out
The subway line got graffiti (3) off the	Guitar solo
wall	And me I'm just one story
I could take a hit but I don't want to take the fall	In a two (9) town
That's (4) one side of the story	But you're never going to find me in the lost and found
In (5) two story town	Chorus:
Chorus:	It's just the same old sights
It's just the same old sights	And the same old sounds
And the same old sounds	I gonna take my car and drive out of this two story town
I gonna take my car and drive out of this story down	It's the same old ship going down
It's the same old ship going down	I'm going down, down, down, down
I'm going down, down ,down, down	It's a two story town
It's a two story town	Chorus 2:
There's a girl that I (6) with	It's just the same old sights and the same old sounds
She's got ecstasy eyes	I gonna take my horse and ride him off this merry-go-round
He promised her roses and American pie	I won't give in and I won't back down
I called her and my demons	I'm going down, down, down down
And I (7) them both goodbye	I'm never going down, down, down, down, down
Seven days of Monday morning	I ain't going down, down, down, down
In a two story town	It's a two-story town
Chorus:	It's a two-story town (wacth me now)
It's just the same old sights	
And the same old sounds	
I gonna take my car and drive out of this two story town
