I may run and hide							
When you're screaming my name, alright							
But let me (1) you now							
There are prices to fame, alright							
All of our time spent in flashes of liaiaiaiaiaiaght							
CHORUS							
All you people can't you see, can't you see							
How your love's affecting our reality							
Every time we're down							
You can make it right							
And that makes you larger than life (life life)							
Alright							
Looking at the crowd							
And I see (2) body sway, c'mon							
Wishin' I could thank you in a different way, c'mon							
'Cause all of your time (3) keeps us							
aliaiaiaiaiave							
CHORUS - repeat							
All you people can't you see, can't you see							
How your love's affecting our reality							
Every time we're down							
You can make it right							

And that (4)_____ you larger than life (life life)
