From the corner of my eye	A (8) is but a kiss
To the back of my mind	You'd be a fool to want more from me
I recognize what you mean to me	And I'm gone in a while
And all the corners of our pictures	I'll be gone in a while
Are a (1) time afraid	I'll be gone in a while
They still symbolize what you (2) to me	It's all that I do
You ask me to remember	From the (9) of my eye
A kiss is but a kiss	Through the back of my mind
Well I'd be a fool to want more (3) you	I recognize (10) you mean to me
And I'm gone in a while	And the easy promises captured in one kiss
I'll be gone in a while	We had and we seek and we squander
I'll be (4) in a while	That there's more
It's all that I do	Something more than me
I'll cry and you cry and we'll cry	And I'm gone in a while
Till the rain turns black	I'll be gone in a while
And the (5) (6) and clings to us	I'll be gone in a while
And for a moment there is beauty	It's all that I do
It's not a simple yearning	It's all that I do
Sometimes it feels (7) it's all I've gotten	It's all that I do
It's all a dream	
And I ask you to remember
