

## Fill in the gaps

From the corner of my eye	A kiss is but a kiss
To the (1) of my mind	You'd be a fool to want (9) from me
I recognize what you mean to me	And I'm (10) in a while
And all the corners of our pictures	I'll be gone in a while
Are a long time afraid	I'll be (11) in a while
They still symbolize what you (2) to me	It's all that I do
You ask me to remember	From the (12) of my eye
A kiss is but a kiss	Through the back of my mind
Well I'd be a (3) to (4) more from you	I recognize (13) you mean to me
And I'm gone in a while	And the (14) promises (15) in
I'll be gone in a while	one kiss
I'll be gone in a while	We had and we (16) and we squander
It's all (5) I do	That there's more
I'll cry and you cry and we'll cry	Something more than me
Till the rain turns black	And I'm (17) in a while
And the devil moves and clings to us	I'll be gone in a while
And for a (6) there is beauty	I'll be (18) in a while
It's not a simple yearning	It's all (19) I do
Sometimes it (7) (8) it's all I've gotten	It's all (20) I do
It's all a dream	It's all that I do
And I ask you to remember
