

Fill in the gaps

Hello, it's me	It's no secret
I was wondering if after all these years	That the both of us are running out of time
You'd like to meet, to go over everything	So, hello from the other side
They say that time's supposed to heal ya	I must've called a thousand times to tell you
But I ain't done much healing	I'm sorry, for (5) that I've done
Hello, can you hear me?	But when I (6) you never seem to be home
I'm in California dreaming about who we used to be	Hello from the outside
When we were younger and free	At least I can say that I've tried to tell you
I've forgotten how it felt before the world fell at our feet	I'm sorry, for breaking your heart
There's such a difference between us	But it don't matter, it (7) doesn't tear you
And a million miles	apart anymore
Hello from the other side	Ooooohh, anymore
I must've (1) a thousand times to tell you	Ooooohh, anymore
I'm sorry, for everything that I've done	Ooooohh, anymore
But when I call you never seem to be home	Anymore
Hello from the outside	Hello from the other side
At least I can say that I've tried to tell you	I must've called a thousand times to tell you
I'm sorry, for breaking your heart	I'm sorry, for everything that I've done
But it don't matter, it clearly doesn't tear you apart anymore	But when I call you never seem to be home
Hello, how are you?	Hello from the outside
It's so typical of me to talk (2) myself	At least I can say that I've tried to (8) you
I'm sorry, I hope that you're well	I'm sorry, for breaking your heart
Did you (3) make it out of that town	But it don't matter, it clearly doesn't (9) you apart
Where (4) ever happened?	(10)

- 1. called
- 2. about
- 3. ever
- 4. nothing
- 5. everything
- 6. call
- 7. clearly
- 8. tell
- 9. tear
- 10. anymore
