

The hourglass on the table

Fill in the gaps

Have you ever fed a lover with just (1) hands?	The walk before the run
Close your eyes and trust it, just trust it	The breath before the kiss
Have you (2) thrown a fist full of glitter in the air?	And the fear (7) the flames
Have you ever looked fear in the face	Have you ever felt this way?
And said I just don't care?	La la la la la la la
And it's only half past the (3) of no return	There you are, (8) in the garden
The tip of the iceberg	Clutching my coffee,
The sun before the burn	Calling me sugar
The thunder before the lightning	You called me sugar
Breath before the phrase	Have you ever wished for an endless night?
Have you ever felt this way?	Lassoed the (9) and the stars and pulled that rope
Have you ever hated yourself for staring at the phone?	tight
You're whole (4) waiting on the ring to prove you're	Have you ever held your breath and asked yourself
not alone	Will it ever get better (10) tonight?
Have you ever been touched so gently you had to cry?	Tonight
Have you ever (5) a stranger to	
(6) inside?	
It's only half past the point of oblivion
