

## Fill in the gaps

I know that I'm running out of (1)	_	Running, running, running
I want it all, mmm, mmm		We can get 'em running, running, running
And I'm wishing they'd stop (2)	turn me off	So I can get it running
I (3) it all, mmm, mmm		Just cause nobody's done it
And I'm walking on a wire, trying to go higher		Y'all don't think I can run it
Feels like I'm surrounded by clowns and liars		But look, I've been here, I've done it
Even when I give it all away		Impossible? Please
I want it all, mmm, mmm		Watch, I do it with ease
We can get 'em running, running, running		You just gotta believe
We can get 'em running running, running		Come on, come on with me
Just like fire, burning out the way		
If I can light the world up for just one day		Oh, what you gonna do?
Watch this madness, colorful charade		(What, what?)
No one can be just (4) me any way		Oh, what you gonna do?
Just like magic, I'll be flying free		(What, what?)
I'mma disappear when they come for me		Oh, what you gonna do?
I kick that ceiling, what you gonna take?		(What, what?)
No one can be just like me any way		Oh, what you gonna do?
Just like fire, uh		Just (8) fire, burning out the way
And people like to laugh at you cause they are all the same,		If I can (9) the world up for just one day
mmm, mmm		Watch this madness, colorful (10)
See I would rather we just go our different way than play the		No one can be just like me any way
game, mmm, mmm		Just like fire, burning out the way
And no matter the weather, we can do it better		If I can light the world up for just one day
You and me together, forever and ever		Watch this madness, colorful charade
We don't have to worry about a thing, not a thing		No one can be just like me any way
We can get 'em running, running, running		Just like magic, I'll be flying free
We can get 'em running, running, running		I'mma disappear when they come for me
Just like fire, burning out the way		I kick that ceiling, what you gonna take?
If I can light the world up for just one day		No one can be just like me any way
Watch this madness, colorful charade		Just like fire, fire
No one can be just (5) me any way		Running, running, running
Just like magic, I'll be (6) free		Just like fire
I'mma disappear (7) they come for me		Running, running, running
I kick that ceiling, what you gonna take?		
No one can be just like me any way		
Just like fire, fire, fire
