

## Fill in the gaps

I (1) (2) I'm running out of time	Running, running
I (3) it all, mmm, mmm	We can get 'em running, running, running
And I'm wishing they'd (4) (5) turn	So I can get it running
me off	Just cause nobody's done it
I want it all, mmm, mmm	Y'all don't (20) I can run it
And I'm walking on a wire, trying to go higher	But look, I've (21) here, I've done it
Feels like I'm surrounded by clowns and liars	Impossible? Please
Even (6) I give it all away	Watch, I do it with ease
I (7) it all, mmm, mmm	You just gotta believe
We can get 'em running, running, running	Come on, (22) on (23) me
We can get 'em running running, running	
Just like fire, (8) out the way	Oh, what you (24) do?
If I can light the (9) up for just one day	(What, what?)
Watch this madness, colorful charade	Oh, what you (25) do?
No one can be (10) like me any way	(What, what?)
Just (11) magic, I'll be flying free	Oh, what you gonna do?
I'mma disappear when they come for me	(What, what?)
I kick (12) ceiling, what you gonna take?	Oh, what you gonna do?
No one can be (13) like me any way	Just like fire, burning out the way
Just (14) fire, uh	If I can light the world up for just one day
And people like to laugh at you cause they are all the same,	Watch (26) madness, colorful charade
mmm, mmm	No one can be just like me any way
See I would rather we just go our different way than play the	Just like fire, burning out the way
game, mmm, mmm	If I can light the world up for (27) one day
And no matter the weather, we can do it better	Watch this madness, (28) charade
You and me together, forever and (15)	No one can be just like me any way
We don't (16) to worry about a thing, not a thing	Just like magic, I'll be flying free
We can get 'em running, running, running	I'mma disappear when they come for me
We can get 'em running, running, running	I kick that ceiling, what you gonna take?
Just like fire, burning out the way	No one can be just like me any way
If I can light the world up for (17) one day	Just (29) fire, fire
Watch this madness, colorful charade	Running, running
No one can be just (18) me any way	Just like fire
Just like magic, I'll be flying free	Running, running
I'mma disappear when they come for me	
I kick that ceiling, what you (19) take?	
No one can be just like me any way	
Just like fire, fire
