

Just like fire, fire, fire

## Fill in the gaps

I (1) that I'm running out of time	Running, running, (3)
I want it all, mmm, mmm	We can get 'em running, running, running
And I'm wishing they'd stop tryna turn me off	So I can get it running
I want it all, mmm, mmm	Just cause nobody's done it
And I'm walking on a wire, trying to go higher	Y'all don't think I can run it
Feels like I'm surrounded by clowns and liars	But look, I've been here, I've done it
Even when I give it all away	Impossible? Please
I want it all, mmm, mmm	Watch, I do it with ease
We can get 'em running, running, running	You just gotta believe
We can get 'em running running, running	Come on, come on with me
Just like fire, burning out the way	
If I can light the world up for just one day	Oh, (4) you gonna do?
Watch this madness, colorful charade	(What, what?)
No one can be just like me any way	Oh, what you gonna do?
Just like magic, I'll be flying free	(What, what?)
I'mma disappear when they come for me	Oh, (5) you gonna do?
I kick that ceiling, what you gonna take?	(What, what?)
No one can be just like me any way	Oh, what you (6) do?
Just like fire, uh	Just like fire, burning out the way
And people like to laugh at you cause they are all the same,	If I can light the world up for just one day
mmm, mmm	Watch this madness, colorful charade
See I would rather we just go our different way than play the	No one can be just like me any way
game, mmm, mmm	Just like fire, burning out the way
And no matter the weather, we can do it better	If I can (7) the world up for just one day
You and me together, forever and ever	Watch this madness, colorful charade
We don't have to worry about a thing, not a thing	No one can be (8) like me any way
We can get 'em running, running, running	Just (9) magic, I'll be flying free
We can get 'em running, running, running	I'mma disappear when they (10) for me
Just like fire, burning out the way	I kick that ceiling, what you gonna take?
If I can light the (2) up for just one day	No one can be just like me any way
Watch this madness, colorful charade	Just like fire, fire
No one can be just like me any way	Running, running
Just like magic, I'll be flying free	Just like fire
I'mma disappear when they come for me	Running, running
I kick that ceiling, what you gonna take?	
No one can be just like me any way
