

Fill in the gaps

Turn your face (1) the sun	Lost my faith and trust
Let the shadows fall behind you	You and I know gold don't (8) to rust
Don't look back, just carry on	(Oh, oh)
And the shadows will (2) find you	I still swear that we can reign
Turn your face towards the sun	Like the kings and queens of better yesterdays
Let the shadows (3) behind you	(Oh, oh)
Don't look back, just carry on	Don't you know
And the shadows will never find you	I've been burned, I've been burned, I've been burned
Lost in the rock and roll	You've (9) me lose control
Got lost in a promise of a (4) I (5)	It's not worth, it's not worth, it's not worth
know	My soul
(Oh, oh)	Turn your face towards the sun
Shadows chase me far from home	Let the shadows fall behind you
I remember when my heart was filled with gold	Don't look back, just carry on
(Oh, oh)	And the shadows will never find you
And you know	Where you gonna go, where you gonna go
I've been burned, I've (6) burned, I've been burned	Where you gonna run to
You've seen me lose control	When you get to the edge of the night?
It's not worth, it's not worth, it's not worth	It's time you face the sky, ooh
My soul	Turn your face towards the sun
Turn your face towards the sun	Let the shadows fall behind you
Let the shadows (7) behind you	
Don't look back, just carry on	
And the shadows will never find you
