

Fill in the gaps

The snow glows white on the mountain tonight	No right, no wrong, no rules for me	
Not a footprint to be seen	I'm free!	
A kingdom of isolation, and it looks like I'm the queen	Let it go, let it go	
The wind is howling like this swirling storm inside	I am one with the wind and sky	
Couldn't (1) it in, heaven knows I've tried	Let it go, let it go	
Don't let them in, don't let them see	You'll never see me cry	
Be the (2) girl you always have to be	Here I stand	
Conceal, don't feel, don't let them know	And (5) I'll stay	
Well now they know	Let the storm rage on	
Let it go, let it go	My power flurries through the air into the ground	
Can't hold it back anymore	My soul is spiraling in frozen (6)	_ all
Let it go, let it go	around	
Turn away and slam the door	And one thought crystallizes like an icy blast	
I don't care what they're going to say	I'm never going back, the past is in the past	
Let the storm rage on	Let it go, let it go	
The (3) never bothered me anyway	And I'll rise like the break of dawn	
It's funny how some distance	Let it go, let it go	
Makes everything seem small	That (7) girl is gone	
And the fears that once controlled me	Here I stand	
Can't get to me at all	In the light of day	
It's time to see what I can do	Let the storm rage on	
To test the limits and (4) through	The cold (8) bothered me anyway
