

When your head's been drowning underwater

And it's the lightness in the air

## Fill in the gaps

I've been on the low	When you're there
I been taking my time	Chest to chest with a lover
I feel like I'm out of my mind	It's holding on, though the road's long
It feel (1) my life ain't mine	And seeing light in the darkest things
(Who can relate? Woo!)	And when you stare at your reflection
I've been on the low	Finally knowing who it is
I been taking my time	I know that you'll thank God you did
I feel like I'm out of my mind	I know where you been, where you are, where you goin'
It (2) like my life ain't mine	I know you're the reason I believe in life
I don't wanna be alive	What's the day without a little night?
I don't wanna be alive	I'm just tryna shed a little light
I just wanna die today	It can be hard
I just wanna die	It can be so hard
I don't wanna be alive	But you gotta live right now
I don't (3) be alive	You got everything to give right now
I just wanna die	I've been on the low
And let me tell you why	I been (5) my time
All this other shit I'm talkin' 'bout they think they know it	I feel like I'm out of my mind
I've been (4) for somebody to save me, no	It feel like my life ain't mine
one's heroic	(Who can relate? Woo!)
And my life don't even matter, I know it, I know it	I've been on the low
I know I'm hurting deep down but can't show it	I been taking my time
I never had a place to call my own	I feel like I'm out of my mind
I never had a home, ain't nobody callin' my phone	It feel like my (6) ain't mine
Where you been? Where you at? What's on your mind?	I finally (7) be alive
They say every life precious but nobody care about mine	I finally wanna be alive
I've been on the low	I don't (8) die today
I been taking my time	I don't wanna die
I feel like I'm out of my mind	I finally wanna be alive
It feel like my life ain't mine	I finally (9) be alive
(Who can relate? Woo!)	I don't wanna die
I've been on the low	I don't wanna die
I been taking my time	Pain don't hurt the same, I know
I feel like I'm out of my mind	The lane I travel feels alone
It feel like my life ain't mine	But I'm moving 'til my legs give out
I want you to be alive	And I see my (10) melt in the snow
I want you to be alive	But I don't wanna cry
You don't gotta die today	I don't wanna cry anymore
You don't gotta die	I wanna feel alive
I want you to be alive	I don't even wanna die anymore
I want you to be alive	Oh I don't wanna
You don't gotta die	I don't wanna
Now lemme tell you why	I don't even wanna die anymore
