

Fill in the gaps

I've been on the low	When you're there
(1) taking my time	Chest to chest with a lover
(2) like I'm out of my mind	It's holding on, though the road's long
It feel like my life ain't mine	And seeing (21) in the darkest things
(Who can relate? Woo!)	And when you stare at your reflection
I've been on the low	Finally knowing who it is
been taking my time	I know that you'll thank God you did
I (3) like I'm out of my mind	I know where you been, where you are, (22) you
It feel (4) my life ain't mine	goin'
I don't wanna be alive	I know you're the reason I believe in life
I don't wanna be alive	What's the day without a little night?
I just wanna die today	I'm just tryna shed a little light
I (5) wanna die	It can be hard
I don't wanna be alive	It can be so hard
I don't wanna be alive	But you gotta live right now
I (6) wanna die	You got everything to give right now
And let me tell you why	I've been on the low
All this (7) shit I'm talkin' 'bout they	I (23) taking my time

been taking my time	Pain don't hurt the same, I know
I (17) like I'm out of my mind	The lane I travel feels alone
It feel like my life ain't mine	But I'm moving 'til my legs (27) out
I want you to be alive	And I see my tears melt in the snow
I want you to be alive	But I don't wanna cry
You don't gotta die today	I don't (28) cry anymore
You don't gotta die	I wanna feel alive
