We knew love would last		Something happened (10) the way	
Every night, (4) right		What used to be happy is sad	
Would invite us to begin the day		Something happened along the way	
Something happened (5) the way		Yesterday was all we had	
What used to be happy was sad		And, oh, after the love has gone	
ething happened along the way How could you lead me on		on	
d yesterday was all we had And not let me stay around?		nd?	
And, oh, after the love has gone		Oh, oh, oh, after the love has gone	
How could you lead me on		What used to be right is wrong	
And not let me stay around?		Can love that's lost be found?	
Oh, oh, oh, after the (6) has gone		Oh, oh, oh, oh, oh	
What used to be right is wrong		After the love has gone	
Can (7) that's lost be found?		What used to be right is wrong	
For awhile, to love each other with all		Can love that's lost be found?	
We would ever need	ould ever need Oh, oh, oh, oh, oh, oh		
Love was strong for so long		After the love has gone	
Never knew that what was		What used to be right is wrong
