Fill in the gaps

After The Love Has Gone by Earth, Wind & Fire

For awhile, to (1) was all we could do	Till (15) was all we shared
We were young and we knew	We were scared
In our eyes were alive	This (16) would lead our love into
Deep inside we (2) our (3) was true	Something happened (17) the way
For awhile, we paid no mind to the past	Yesterday was all we had
We (4) love would last	Something happened (18) the way
Every night, (5) right	What (19) to be happy is sad
Would invite us to begin the day	Something happened along the way
Something happened along the way	Yesterday was all we had
What used to be happy was sad	And, oh, (20) the love has gone
Something happened along the way	How could you (21) me on
And (6) was all we had	And not let me (22) around?
And, oh, (7) the love has gone	Oh, oh, oh, after the love has gone
How could you lead me on	What (23) to be (24) is wrong
And not let me (8) ?	Can love that's lost be found?
Oh, oh, oh, after the love has gone	Oh, oh, oh, oh, oh
What used to be right is wrong	After the love has gone
Can love that's lost be found?	What used to be right is wrong
For awhile, to love (10) (11)	Can love that's (25) be found?
(12) all	Oh, oh, oh, oh, oh
We (13) ever need	After the love has gone
Love was strong for so long	What used to be right is wrong
Never knew that what was	Can (26) that's lost be found?
Wrong, oh, baby, wasn't right	
We tried to (14) what we had
