After The Love Has Gone by Earth, Wind & Fire

For awhile, to love was all we could do	Till sadness was all we shared	
We were young and we knew	We were scared	
In our eyes were alive	This affair would lead our love into	
Deep inside we knew our love was true	Something happened along the way	
For awhile, we paid no mind to the past	Yesterday was all we had	
We knew love would last	Something happened along the way	
Every night, something right	What used to be happy is sad	
Would invite us to begin the day	Something (6) (7)	the way
Something happened along the way	Yesterday was all we had	
What used to be happy was sad	And, oh, after the love has gone	
Something happened along the way	How could you lead me on	
And yesterday was all we had	And not let me stay around?	
And, oh, after the love has gone	Oh, oh, oh, after the love has gone	
How could you lead me on	What used to be right is wrong	
And not let me stay (1) ?	Can love that's (8) be found?	
Oh, oh, oh, after the love has gone	Oh, oh, oh, oh, oh	
What (2) to be right is wrong	After the love has gone	
Can love that's lost be found?	What used to be (9) is wrong	
For awhile, to love (3) other with all	Can love that's lost be found?
