

Fill in the gaps

Take a breath	That if you fall, stumble down
I pull myself together	I'll (11) you up off the ground
Just (1) step till I reach the door	If you lose (12) in you
You'll never know the way it tears me up inside to see you	l'll (13) you (14) to pu
I wish that I (2) tell you something	through
To take it all away	Tell me you won't (15) up (16) I'll b
Sometimes I wish I could save you	waiting if you fall
And there're so many things that I want you to know	Oh you know I'll be there for you
I won't (3) up till it's over	(Ahahaha)
If it takes you forever I want you to know	If only I could (17) the answer
When I hear (4) voice	To (18) it all away
Its drowning in a whisper	Sometimes i wish i could (19) you
It's just skin and bones	And there're so (20) things that I want you to know
There's nothing (5) to take	I (21) give up till it's over
And no (6)	If it (22) you (23) I want yo
(8) you feel better	to know
If (9) I could find the answer	(Oh)
To help me understand	I wish I could (24) you
Sometimes I wish I could (10) you	I (25) you to know
And there're so many things that I want you to know	(Ohohh)
I wont give up till it's over	I wish I could save you (oh)
If it takes you forever I want you to know
