Now that you can't have me		Who do you think I am?
You (1)	want me	You only love to see me breaking
Now that I'm with somebody else		You only want me 'cause I'm taken
You tell me you love me		You don't really want my heart
I slept on your door step		No, you (6) like to know you can
Begging for one chance		Still be the one who gets it breaking
Now that I (2) move on		You only want me when I'm taken
You say you missed me all along		Thank you for showing me
Who do you think you are?		Who you are underneath
Who do you (3) I am?		No, thank you I don't need another heartless misery
You only love to see me breaking		You (7) I'm doing this to (8) you
You only want me 'cause I'm taken		jealous
You don't really want my heart		I know that you hate to hear this
No, you just like to know you can		But (9) is not about you anymore
Still be the one who gets it breaking		Who do you think you are?
You only want me when I'm taken		Who do you think I am?
You're messing' with my head		You only love to see me breaking
Girl, that's what you do best		You only want me 'cause I'm taken
Saying there's (4)	you won't do	You don't really want my heart
To get me to say yes		No, you just like to know you can
You're impossible to resist		Still be the one who gets it breaking
But I wouldn't bet you heart on it		You (10) want me when I'm taken
It's like I finally awake		Now that you can't have me
And you're (5) a beautiful mistake		You suddenly want me
