## One Thing by One Direction

## Fill in the gaps

I've tried playing it cool	Get out, get out, get out of my head
Girl when I'm (1) at you	And fall into my arms instead
I can never be brave	I don't, I don't, don't know what it is
Cuz you (2) my heart race	But I need that One Thing
Shot me out of the sky	So!
You're my kryptonite	Get out, get out, get out of my mind
You keep making me weak	And c'mon, (13) in into my life
Yeah (3) and can't breath	I don't, I don't, don't know what it is
Some (4) gotta get loud	But I need that One Thing
Cause if not, (5) (6) don't make you see	Yeah, you've got that One Thing
That I need you here (7) me now	Oh-whoa Oh-whoa oh. Oh-whoa.
Cuz you've got that One Thing	You've got that One Thing
So!	Get out, get out, get out of my head
Get out, get out of my head	I'm falling to my arms instead
And fall into my (8) instead	So!
I don't, I don't, don't know what it is	Get out, get out of my head
But I (9) that One Thing	I'm (14) to my arms instead
Yeah, you've got that One Thing	I don't, I don't, don't know what it is
Now I'm (10) the walls	But I need that One Thing
But you don't notice at all	So!
That I'm going out of my mind	Get out, get out, get out of my mind
All day and all night	(Out of my mind)
Some things gotta get loud	And c'mon, come in into my life
Cuz I'm dying just to know your name	I don't, I don't, don't (15) what it is
And I (11) you (12) with me now	But I need (16) One Thing
Cuz you've got that One Thing	Yeah, you've got that One (17)
So!
