Hey Joe	With some other man
Where you going with that money in your hand	Hey Joe, I heard that you shot your lady down
I say: Hey Joe	Hey Joe, you know I heard that you shot your lady down
Where you going (1) that money in your hand	Yes I did, 'cos I caught her messin' 'round
Well I'm going to see my woman	Messin' around messin' around town
You know I heard	Well all right, I said: Hey Joe
She done messed around with some other man	Better lay low and get out of town
I heard she did	I said: Hey Joe
You (2) I'm going downtown	Where you gonna run to now
Gonna buy me a Blue Steel 44	He said: I'm gonna downtown
You know I'm going downtown	And I'm gonna get me a passport
Gonna buy me a Blue Steel 44	See, well, I'm (6) (7) south way down
I'm gonna catch up with that girl	(8) way
She won't be messing around	And there ain't no hangman
On me no more.	Gonna put no noose around me
Well I (3) Hey Joe	Just (9) I shot her
Where you going with that gun in your hand	Just 'cause I shot her down, all right
I (4) Hey Joe	Well I'm going down south way down Mexico way
Where you going with that gun in your hand	I'm going down south where a man can be free
