

Fill in the gaps

Even In The Quietest Moments by Supertramp

Even in the quietest moments

I wish I knew what I had to do

And even (1)_____ the sun is shining

Well I (2)_____ the (3)_____ --- here it comes
again, dear

And even when you showed me

My heart was out of tune

For there's a shadow of doubt that's not letting me find you too
soon

The music that you gave me

The language of my soul

Oh Lord, I want to be with you.

Won't you let me come in from the cold?

Don't you let the sun (4)_____ away

Don't you let the sun fade away

Don't you let the sun be leaving

Won't you come to me soon

And even though the stars are listening

And the ocean's deep, I just go to sleep

And then I create a silent movie

You become the star, is that what you are, dear?

Your whisper tells a secret

Your (5)_____ brings me joy

And a wonder of feeling I'm Nature's own little boy

But still the tears keep falling

They're raining from the sky

Well there's a lot of me got to go under before I get high

Don't you let the sun disappear

Don't you let the sun disappear

Don't you let the sun be leaving

No, you can't be leaving my life

Say that you won't be leaving my life

Say that you won't be leaving my life

Say won't you please, stay won't you please

Say won't you please, stay won't you please

Lord, won't you come and get into my life

Lord, won't you come and get into my life

Say won't you please, stay won't you please

Say won't you please, stay won't you please

Lord, don't go

And even when the (6)_____ is over

Where have I been --- was it just a dream?

And though your door is always open

Where do I (7)_____ --- may I (8)_____
