## Even In The Quietest Moments by Supertramp

Even in the quietest moments	But still the tears keep falling
I wish I knew what I had to do	They're raining from the sky
And even though the sun is shining	Well there's a lot of me got to go under before I get high
Well I feel the rain here it comes again, dear	Don't you let the sun disappear
And even when you (1) me	Don't you let the sun disappear
My heart was out of tune	Don't you let the sun be leaving
For there's a shadow of doubt that's not (2)	No, you can't be leaving my life
me find you too soon	Say that you won't be leaving my life
The music that you gave me	Say (6) you won't be leaving my life
The language of my soul	Say won't you please, stay won't you please
Oh Lord, I want to be with you.	Say won't you please, stay won't you please
Won't you let me come in from the cold?	Lord, won't you (7) and get into my life
Don't you let the sun fade away	Lord, won't you come and get into my life
Don't you let the sun fade away	Say won't you please, stay won't you please
Don't you let the sun be leaving	Say won't you please, stay won't you please
Won't you come to me soon	Lord, don't go
And even though the stars are listening	And even when the (8) is over
And the ocean's deep, I just go to sleep	Where have I been was it just a dream?
And (3) I create a silent movie	And though your door is always open
You become the star, is that (4) you are, dear?	Where do I begin may I please (9) in, dear?
Your whisper tells a secret	
Your laughter brings me joy	
And a wonder of feeling I'm Nature's own (5)
